## DESIGNER + WEB DEVELOPER + PHOTOGRAPHER + VIDEOGRAPHER

As a published designer, photographer, videographer, developer and over 10 years of quality experience in multimedia arts; I have worked with various agencies, political campaigns, law firms, and international corporations. In my free time you can find me coding, conducting research, and snapping pictures of "everyday" people doing "everyday" things.

## EDUCATION

### Florida State University

Bachelors of Fine Arts in Graphic Design

COMPLETED IN JULY 2016

## EXPERIENCE

### Florida A&M University

#### Designer & Developer (Current)

Responsible for layout and coding of a various university websites. Also involved with the technical and graphical aspects of a website - how the site works and how it looks. Included but not limited to maintenance and updating of an existing site. Create graphic designs for web communications and marketing materials. Work with management to understand specific brand usage principles in graphic designs.

### 422 Agency

#### CREATIVE DIRECTOR (CURRENT)

I have designed and developed web pages, user interfaces, and various print elements for a wide variety of clients. I have served in the capacity of head photographer, which developed my skills in photo editing and image manipulation. I have established an archiving system. I have experience with the tracking of all creative production and the overseeing of rights and reproduction contracts.

### Tallahassee Democrat

#### FREELANCE PHOTOJOURNALIST (2016 - 2018)

I work as a visual storyteller, take photographs or film video segments, capture images in an authentic and ethical manner, write copy, captions or headlines to accompany photos, use image-editing software such as Photoshop to edit images, travel to photo shoot locations, and edit photographs or video for publication specific to Internet.

### Homes.com

#### WEB DESIGNER/DEVELOPER (2014 - 2016)

I have designed and developed various websites for real estate agents and brokers across the world. My duties included, but were not limited to, mocking up websites and social media products, trouble shooting code, developing template systems, branding, researching and implementing modern techniques in design and development.

### Macork Solutions

#### WEB DESIGNER/DEVELOPER/PHOTOGRAPHER (2011 - 2014)

I have developed print designs and websites for well established businesses and clients and performed studio, portrait, event and video photography.

### Tallahassee Community College

#### MULTIMEDIA TUTOR/COMPUTER TECH (2009 - 2014)

While at Tallahassee Community College, I worked as a lab assistant teaching and assisting students in all areas of design and web development. I also assisted in various school enhancement projects to boost school attendance within the program.
